Photograph:

You need to attach 1 photograph of 35mm x 45mm (standard passport photo size) in colour, taken against a white background. Prints of photographs on non-photographic paper will not be accepted.

The image must be clear and sharp, showing your whole face. Do not smile.

No other size or colour will be accepted. If the photo is blurred or part of your face is obscured, the photo will not be accepted.

You must **glue** the photograph in the space on the application form in the top right hand corner marked "Photo"
Photographs attached in any other way will not be accepted.

Application process:

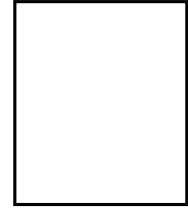

Please note that as a UK passport holder you are required to apply in person at the embassy. The early-morning no-guarantees queueing system at the embassy is rather frustrating, particularly if you are travelling a long way or have had to take time out of work. We will help facilitate the process of visa application.

We cannot apply on your behalf so please **DO NOT POST** your application to us. If you have also asked us to apply for your invitation letter/authorisation code, we will contact you when this is ready to organise a date for you to make your application at the embassy.
